Product Information

Cartridge valve body adapter / made of low dezincification brass

Series 50.007.52x

Description

The valve body adapter for use with cartridge valves of series 50.007.101 and 50.007.100*) allows a variety of common inlet and outlet connections.

The screw-in version simplifies assembly, service and check of the valve.

The body adapter is made of low dezincification brass.

Applications

- sanitary fittings
- irrigation systems
- industrial appliances

A.u.K. Müller

Solenoid valves
Control valves
Special valves and systems
